

DIVYA SHARMA

FRONTEND DEVELOPER

+91-77174-25071 | divyasharma007d@gmail.com

CAREER SUMMARY:

My name is Divya Sharma. I am currently in the final year of my Bachelor of Computer Applications (BCA). I am a fresher in frontend development, passionate about creating responsive and visually appealing websites. I am also open to learning backend technologies to become a full-stack developer. I have completed an internship at Solitaire Infosys, Patiala, under the guidance of Maninder Singh, where I gained hands-on experience in MERN stack development and practical exposure to both frontend and backend technologies.

EDUCATION:

- **Multani Mal Modi College, Patiala**
- Bachelor of Computer Applications (BCA) | CGPA: Pursuing **2022 – 2025**
- **Bhupindra International Public School, Patiala**
- (Class XII) | CBSE | CGPA: 8.2 **2021 – 2022**
- **Bhupindra International Public School, Patiala**
- (Class X) | CBSE | CGPA: 7.4 **2019 – 2020**

TECHNICAL SKILLS:

- Programming Languages: HTML, CSS, JavaScript
- Frontend Technologies: React.js, Bootstrap, Tailwind CSS
- Version Control: Git

WORK EXPERIENCE:

Solitaire Infosys, Patiala

MERN Stack Developer | INTERN

2025

- Completed comprehensive training in both frontend and backend technologies, including React.js, Node.js, Express.js, and MongoDB.
- Strengthened frontend development skills with a focus on clean UI design, responsive layouts, and enhancing user experience.
- Gained practical hands-on experience with version control systems, particularly Git, through collaborative project development.

PROJECTS:

- E-commerce Website: Developed with HTML, CSS, JavaScript, and Bootstrap.
- Background Changer: Created with Tailwind CSS and JavaScript for interactive background switching.
- Currency Converter: Real-time conversion tool built with Tailwind CSS and JavaScript.
- Password Generator: Developed using Tailwind CSS and JavaScript for secure password generation.
